NOTICE TO REFEREES

**2025 FULBRIGHT-HAYS DOCTORAL DISSERTATION RESEARCH ABROAD (DDRA) COMPETITION
AT THE UNIVERSITY OF WISCONSIN-MADISON**

Notice regarding submission deadline for letters of recommendation and language evaluations in support of student applicants to the Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Program from the UW-Madison's Fulbright Coordinator, Mark Lilleleht:

Letters of recommendation and language evaluations must be submitted electronically **before the campus deadline in order for your student to submit their complete application** by the campus deadline.

There are no exceptions to the campus deadline. A student who does not submit a complete electronic application by **10:00am, Monday, ~~January 13, 2025~~ January 27, 2025 (UPDATED DEADLINE)** will not have their application forwarded to the U.S. Department of Education.

You will receive an email generated by the Department of Education's G6/G5 application with instructions, a link, and log-in credentials inviting you to submit your recommendation in support of the student's application.

The Closing Date that is listed in the email you receive from the G6/G5 application system is the **institutional deadline** and is later than the campus deadline. Submit prior to the campus deadline. There is no exception to the requirement that the letter be submitted electronically; this is a federal requirement.

NOTE: Do not use any special or non-English characters in your submitted letter's file name. If you are submitting a letter while abroad, you may need to do so via a VPN or virtual private network connection. <https://g6.ed.gov/> is a federal website and will sometimes not accept submissions from a non-U.S. IP address.
