Letters of recommendation and language evaluations must be submitted electronically **before the campus deadline in order for the applicant to submit their complete application** by the campus deadline.

There are no exceptions to the campus deadline. An applicant who does not submit a complete electronic application by 10:00am, Monday, March 10, 2025 will not have their application forwarded to the U.S. Department of Education.

The Closing Date that is listed in the email you received from the G6/G5 application system is the **institutional deadline** and is later than the campus deadline. Submit prior to the campus deadline. There is no exception to the requirement that the letter be submitted electronically; this is a federal requirement.
